WELCOME ABOARD!

We'd like to welcome some new children to our Rainbow School family!

Chloe Murata (big sister is Caitlyn in the Shining Stars classroom) as our newest member of the Rainbow Cubs class (infants).

Nanea Kalahiki (older brother Noah graduated last year from our school) will be in the Dynamic Dolphin's class.

We are very excited and eager to welcome these children into our school!

CONGRATULATIONS!

We'd like to congratulate Chanelle Datulayta (who is now 1 year old!) for the many milestones she has accomplished and look forward to seeing her grow and flourish as she makes the transition into her new classroom, Na Pueo!

ALOHA!

At the end of this month we will bid a fond farewell to Malia de Carlos (Dynamic Dolphin's Class) and her family as they embark on a new chapter in their lives. Malia and her family will be missed but we wish them all the best! Thank you so much for allowing Rainbow School Honolulu to be a part of Malia's early education.

MAHALO!

Mahalo to Jan Cadena (Vincent's Mom from the Dynamic Dolphins class) of Alexander & Baldwin Properties, for donating 2 computers to our school. We have placed one computer in the Dynamic Dolphin's classrooms and the other in the Shining Stars class. Children's learning programs have been installed and the children have already begun working on the computers! Computers in the classroom help our children to gain technical skills they will use as they move on to grade school. Thank you very much for your support! We greatly appreciate it 😊

Another "Mahalo" goes out to Gina Meyer for referring our school to a donation program which American Carpet One participates in. We were able to receive from American Carpet One a brand new area rug which they donated to our school for the Shining Stars classroom. It's parents like you and businesses in our community like American Carpet One who help to make our schools successful! Thank you so much!!
